# About Conference

**Coalesce Research Group** warmly invites all the Speakers, Delegates, Researchers, Students and Industrialists to be a part of our “**International Conference on Clinical and Medical Case Reports**”. It is a two-day conference going to be held from **September 9-10, 2024** in **Barcelona, Spain**. The theme of the conference is “**Explorations and Excellence in Case Reports**” covering a wide extent of critically vital sessions of Clinical and Medical Case Reports equally.

The Conference Board is fully committed to bringing the highest scientific and organizing levels to this event. We expect this meeting to be an excellent opportunity to exchange ideas, share knowledge, join friends, and build new friendships.

We are excited to hold a face-to-face meeting again and share our time and knowledge with all researchers all over the world, and we will do it safely. Live academic meetings are historically known to be the best method for Academic and Business Professionals to gather and disseminate information, share new knowledge, and set new evidence-based policies and guidelines.

# GLIMPSES OF PAST EVENTS

## Speakers Word

**Jose M Cruz**, *University of Vigo, Spain*

It has been a very interesting conference for researchers who work in the valorization of industrial wastes.

**Nzanthung Ngullie**, *National Institute of Technology Nagaland, India*

- The conference is well organized.
- The support team was very helpful right from the time I sent my abstract for the conference till my arrival in Philadelphia.
- Would have preferred the location of the conference in city centre.
- Best wishes for the next conference.
- Would love to participate in future conferences organized by Coalesce Research Group.

**Junbom Park**, *Seoul National University, South Korea*

- Very informative and up to date
- Organization is very prompt
- Speakers from all around the globe
- Nice lunch

**Ana Belen Moldes**, *University of Vigo, Spain*

It was a serious, well-organized conference with researchers interested in a sustainable environment from different countries. In the conference, various speakers and delegates were represented from industry and government institutions interested in promoting a sustainable environment.

**Patrycja Bazan**, *Cracow University of Technology, Poland*

The conference was of a very high level, every presentation is helpful and informative. Learnt a lot and got new contacts and I hope one day I will be back here.

**Ben Ebersbach**, *TU Bergakademie Freiberg, Germany*

It was a good conference with interesting presentations and valuable information on a broad variety of topics. Multiple sessions with a more specified topic would be nice for future conferences.

**Liseane Padilha Thives**, *Federal University of Santa Catarina, Brazil*

- Thanks for the support provided by Ms Sherin

# Speakers Word

**Amad Hassam Abdul Gani**, *Universidade Pedagógica de Maputo, Mozambique*

Broad variety of topics discussed made it a great conference. Also, the networking with the international participants was valuable.

All topics were interesting, however a shorter day I would have been preferred or have presentations end earlier and hold an evening network cocktail hour.

**Christopher Galarza**, *Forward Dining Solutions, USA*

Presenting in front of the global community was an invaluable experience and I hope to do it again soon.

**Etuk Etiese Akpan**, *Clean Nigeria Associates Limited/Gte, Nigeria*

Worth attending and would love to attend next time.

**Valerie Salto**, *Saint Peter's University, USA*

The conference was very informative and various innovations were shown on both the days of the conference that can make a change in the world and even in one's own community.

**Venue: Barcelona, Spain**
