# WELCOME ADDRESS

EURO CHEMISTRY  
2024

Dear Attendees,

The Euro Chemistry 2024 Organizing Committee is absolutely delighted to welcome you to the **14<sup>th</sup> International chemistry Congress** which will be held in **Amsterdam, Netherlands** on **October 31st-November 01, 2024**, where we will be shining a spotlight on *“Frontiers of Discovery: Pushing Boundaries in Chemical Research”*.

We are looking forward to providing you with a superb environment in which to present, discuss and advance your Euro Chemistry research. The world class scientific programme will consolidate existing knowledge while at the same time increase your awareness of leading edge and forward looking advances in the field.

The congress is to be held in one of the world's most important global cities which is Amsterdam. Amsterdam is the Netherlands' capital, known for its artistic heritage, elaborate canal system and narrow houses with gabled facades, legacies of the city's 17th-century Golden Age.. It exerts considerable influence on the arts, commerce, education, entertainment, fashion, finance, healthcare, media, professional services, research and development, tourism, and transportation. What better place to combine leading edge science with an unsurpassed personal experience.

We look forward to seeing/welcoming you in 2024 for an experience of a lifetime.

With Regards

## About Hosting Organization

Conference Series is the world's leading specialist in organizing academic, scientific and business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology, Business and many more to promote scientific research.

Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by

## How Conference Series Conferences differs from others?

- 3000+ Conferences across the globe in 50+ countries all through the year
- Over 25 Million+ Visitors and 25000+ Unique Visitors per conference
- Participation by Stalwarts from various international societies
- Internationally renowned speakers and scientists representation
- Career guidance for early career researchers and students
- Interesting scientific deliberations and discussions
- Perfect platform for Global Networking Add a little bit of body text.

## Euro Chemistry 2024 salient features

- Meet academia and industry visionaries to get inspired
- Expand your knowledge and find solutions to problems
- Knowledge, benchmarking and networking offered at one place
- Forge connections and for global networking
- Highly organized and structured scientific programs
- Poster presentations and world class exhibitions
- Meet with new vendors and suppliers

## Goals & Objectives

- The Euro Chemistry 2024 aims to bring together leading world's scientific experts, academic professionals, scientists, specialists, researchers, scholars, business delegates and students to exchange and share their experiences and research results on all aspects of Euro Chemistry.
- It also provides an interdisciplinary platform for policy makers, community leaders, business activists, scientists and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Euro Chemistry.
- We aim to bring the research and innovations happening across the parts of the globe to facilitate interaction, knowledge sharing and exchange. We also aim to inspire university professors, students, researchers, Chemists and entrepreneurs

## About Conference

**14<sup>th</sup> International Chemistry Congress** is among the World's leading Scientific Conference. The two day event on Euro Chemistry will host Major scientific and technical sessions along with the sub-sessions on cutting edge research and latest research innovations in the field of emerging Euro Chemistry & its related issues across the globe. To foster the best learning environment we have designed some of the sessions this year for Chemistry conference which will comprises of 18 major sessions designed to offer comprehensive sessions that address current issues in various fields of Euro Chemistry.

Besides the attendees can find prestigious plenary and invited lectures, various shorter talks and poster sessions which will give the opportunity to most participants to present their work at the Congress. This congress on Euro Chemistry provides an opportunity to meet experts, professionals, academicians and researchers from all over the world. Execute new methods or revise existing methods based on best presented facts as presented at **Euro Chemistry 2024**.

## Who Should Attend?

Euro Chemistry 2024 Conference website is attracting 56000+ chemists, chemistry experts, industrial researchers, pharmaceutical chemists, biochemists, chemical engineers, electro chemists, experts in theoretical chemistry, analytical chemists, chemical biologists, experts in polymer chemistry, researchers, professionals, speakers, professors, business delegates and students.

## Why to Attend?

- Find out what's new
- Meet experts & influencers face to face
- To present your ideas and work to others
- Networking for future collaborations
- The focus & energy of Like-Minded Individuals
- Fresh way of knowledge transfer
- Learn beyond your field or interest
- Meet, collaborate & get inspired
- Travel and extend your comfort zone

## Conference Highlights

- Pharmaceutical Chemistry
- Advanced Organic & Inorganic Chemistry
- Analytical Chemistry
- Physical Chemistry
- Theoretical Chemistry
- Materials Chemistry
- Applied Chemistry
- Polymer Chemistry
- Biochemistry
- Computational Chemistry
- Electro Chemistry
- Radiochemistry & Nuclear Chemistry
- Chemical Engineering
- Biological Chemistry
- Advanced Medicinal Chemistry
- Chemical Biology
- Green and Sustainable Chemistry
- Chemistry in Clinical Research

*The conference was exciting. I enjoyed so much meeting new colleagues at the venue. I would like to express my sincere gratitude to you for your assistance and opportunity. It was a good experience attending this conference.*

**Amur Margaryan**  
National Science Laboratory, USA

*The conference was very successful and staff members were very helpful. Workflow was good. Thank you for organizing the conference for us people.*

**Kuang-Hui Chi**  
National Yunlin University of Science & Technology, Taiwan

*That is excellent. This time, I will encourage my friends and colleagues to attend. I will submit abstracts for the conference too.*

**Sudhanshu Sekhar Panda**  
University of North Georgia, USA

*The organization of the conference was perfect and I was very glad of the warm welcome, of the scientific and human relationships among participants.*

**Ida PucciMinafra**  
University of Palermo, Italy

*The conference was well organized and the committee was outstanding in keeping the whole event lively.*

**MouradTayebi**  
University of Surrey, England

*It was wonderful event. I enjoyed presenting my talk. There were questions, comments, and interests in what I presented.*

# ABOUT AMSTERDAM

EURO CHEMISTRY  
2024

Amsterdam, the vibrant capital of the Netherlands, enchants visitors with its historic allure, progressive values, and scenic canals. Originating as a modest fishing village in the 12th century, it burgeoned into a bustling trading center during the Dutch Golden Age, leaving a legacy of elegant canal houses and cultural landmarks.

The city's 165 canals, forming the UNESCO World Heritage-listed Canal Ring, are emblematic of its picturesque charm. Wandering along tree-lined streets and crossing quaint bridges, visitors soak in the city's romantic ambiance. Amsterdam's cultural scene is rich and diverse, boasting world-class museums like the Rijksmuseum and the Van Gogh Museum.

Notably, Amsterdam embraces liberal attitudes towards cannabis and prostitution, reflecting its progressive ethos. Beyond its social policies, the city is a leader in innovation and sustainability, nurturing a thriving startup ecosystem focused on technology and green initiatives. With its blend of history, culture, and forward-thinking spirit, Amsterdam offers a captivating experience for travelers from around the globe.
