About Canada

Canada, the second-largest country in the world, offers an unparalleled range of attractions and experiences for tourists. From vibrant cities to breathtaking natural landscapes, Canada promises an unforgettable adventure for every type of traveler.

Canada is renowned for its awe-inspiring natural beauty. Visitors can explore the majestic Rocky Mountains, pristine lakes, and scenic drives in Banff and Jasper National Parks. Niagara Falls, one of the most famous waterfalls globally, offers thrilling boat tours and observation decks. The northern regions, including Yukon and the Northwest Territories, provide a spectacular view of the aurora borealis.

Canada's cultural mosaic is reflected in its festivals, museums, and historic sites. Explore Indigenous heritage through cultural centers and events. Visit UNESCO World Heritage Sites like Old Quebec and the Rideau Canal. Enjoy world-class events such as the Toronto International Film Festival, Calgary Stampede, and Montreal Jazz Festival.

Testimonials

Thank you for the conference note. The conference covered a diverse group of topics with a true international flavor in terms of the attending delegates.

Nigel Smart, Smart
Pharmaceutical Consulting, USA

I would like to thank you for the opportunity to make the presentation last Thursday at IPharma in Philadelphia. It was a good experience and I would like to think that my presentation was well received by the audience.

Nelson Kardos, Duquesne
University, USA

i-Pharma offered everything we needed, from Drug Discovery and Development to Pharma Marketing, Pharma Manufacturing, Industrial Pharmacy. It gives all participants a productive conference experience. We'll come back year after year

Ye Xu, Jilin Medical
University, China

The conference was good, even some speaker could not attend because of the weather. It was a great experience for me and I am really glad for the experience subheading

Livio Luongo, Università
Vanvitelli, Italy

It has been a great opportunity to share the experience and state-of-the-art in the pharmaceutical field among academia and industry. It served a good platform for efficient networking.

Nataliya Storozhylova,
University of Santiago de Compostela,
Spain

My US experience was very good and will always fondly cherish the memories. Would like to be back again in a year or so. I wish we could meet

Sanju Nanda, MDU,
India
