INVITATION

Join us at the “International Traditional Chinese Medicine Conferences” in Barcelona, Spain, during March 24-25, 2025. Explore the theme “Advancements and the Future of Traditional Cancer Therapies” as we facilitate knowledge exchange and exploration in the field. Connect with global experts, up-and-coming researchers, and scholars to foster innovative concepts and refine expertise in Traditional and Alternative Medicine.

Don't miss the “Traditional Chinese Medicine Conference” in Barcelona, Spain, from March 24-25, 2025. Engage with global experts and up-and-coming researchers to explore the healing power of nature and shape the future of healthcare and humanity through Traditional and Alternative Medicine.

We look forward to an inspiring and innovative conference filled with meaningful connections.

VENUE

Barcelona, Spain, is a vibrant city nestled on the northeastern coast of the Iberian Peninsula, overlooking the Mediterranean Sea. Known for its unique blend of modernist and Gothic architecture, Barcelona is a feast for the eyes with iconic landmarks such as Antoni Gaudí's Sagrada Família and Park Güell.

The city pulsates with energy, offering a rich tapestry of cultural experiences. From the bustling La Rambla, a lively pedestrian street filled with shops, restaurants, and street performers, to the historic Barri Gòtic (Gothic Quarter) with its narrow medieval streets and charming plazas, Barcelona seamlessly weaves together its past and present.
