

International Conference on
Brain Disorders and Therapeutics

November 24-25, 2025 | Dubai, UAE

Unlocking the Complexities of the Brain: Innovations in Research and Treatment

INVITATION

ABOUT CONFERENCE

We are thrilled to welcome all the participants to the **International Conference on Brain Disorders and Therapeutics**, scheduled for **November 24-25, 2025**, in the dynamic and diverse city of **Dubai, UAE**. This premier gathering offers a vital opportunity for thought leaders, researchers, clinicians, and innovators from around the world to come together in pursuit of new insights and impactful solutions in brain science. Under the theme “**Unlocking the Complexities of the Brain: Innovations in Research and Treatment**,” this event will highlight groundbreaking discoveries and encourage meaningful dialogue around brain function.

YOUNG RESEARCH FORUM

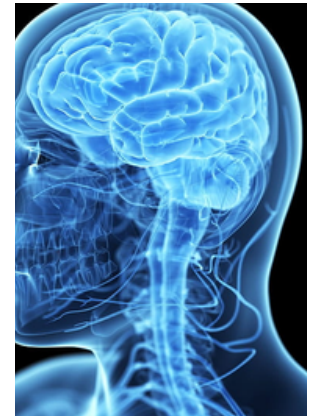

Confmeets Conferences is delighted to announce the Young Scientist Awards at the upcoming International Conference on Brain Disorders and Therapeutics, scheduled to take place in Dubai, UAE, on November 24-25, 2025. With the theme “Unlocking the Complexities of the Brain: Innovations in Research and Treatment” this global event brings together leaders, researchers, clinicians, and innovators from around the world. The conference will explore key areas such as discoveries and encourage meaningful dialogue around brain function, brain science, neurological disorders, mental health, neurotechnology.

About Confmeets

Being part of the Confmeets community is a unique privilege that encourages the exchange of ideas with the potential to create a positive global impact. Our webinars play a pivotal role in sharing research findings, innovations, and best practices among practitioners worldwide. Over the years, such gatherings have been instrumental in bridging the gap between cutting-edge research and practical application, enhancing decision-making, and ultimately improving the quality of life. Our international webinars serve as open forums for engaging with leading experts and influencers. Guided by a distinguished organizing team, attendees gain access to cutting-edge insights, innovative strategies, and actionable ideas.

HIGHLIGHTS

1. Brain Tumors and Neuro-Oncology
2. Traumatic Brain Injury and Recovery
3. Parkinson's and Alzheimer's Diseases
4. Stroke & Cerebrovascular Disorders
5. Brain-Computer Interfaces (BCIs)
6. Functional Neuroimaging
7. Pediatric Neurology & Brain Development
8. Artificial Intelligence in Brain Research
9. Blood-Brain Barrier Research
10. Neurotoxicity Impacts on Brain Health
11. Cerebellar Disorders
12. Neurovascular Coupling and Brain Perfusion
13. Neuropsychiatry and Behavioral Neurology
14. Brain Biomarkers & Precision Medicine
15. Mind-Body Integration in Brain Disorders

CATEGORIES OF PARTICIPATION

- > Speakers/Presenters
- > Panelists
- > Moderators/Hosts
- > Attendees/Participants
- > Sponsors/Exhibitors
- > Organizers/Coordinators
- > Researchers/Academics
- > Networking Participants
- > Students/Trainees
- > Advocates/Community Leaders
- > Industry Professionals

IMPORTANT INFORMATION

Submit your Abstract in the Below Link

[**https://www.confmeets.com/brain/abstract**](https://www.confmeets.com/brain/abstract)

Then you can proceed further by registering towards the conference to confirm your slot

[**https://www.confmeets.com/brain/registration**](https://www.confmeets.com/brain/registration)

DELEGATE PARTICIPATION

You can directly confirm your slot by registering towards the conference under Delegate category

[**https://www.confmeets.com/brain/registration**](https://www.confmeets.com/brain/registration)

REGISTRATION INCLUDES

Access to Sessions & Workshops
Networking Opportunities
Exclusive Content & Materials
Professional Development
Exhibitions & Product Demos
Certificate of Attendance

About Venue

Dubai, on the southeastern Arabian Peninsula, blends modern innovation with rich heritage. Renowned for its futuristic skyline, luxury lifestyle, and groundbreaking infrastructure, Dubai is more than just a city it's a vision brought to life. From the awe-inspiring Burj Khalifa, the tallest building in the world, to the serene beauty of the desert dunes, Dubai offers a unique fusion of urban sophistication and natural wonder. Its world-class hospitality, state-of-the-art convention centers, and rich cultural tapestry make it a premier destination for international conferences and global gatherings. Beyond its iconic architecture and glamorous shopping districts lies a city deeply committed to well-being, sustainability, and innovation. Whether you're exploring traditional souks, enjoying a mindful retreat in the desert, or networking in a high-tech business district, Dubai offers experiences that inspire, energize, and connect. With its strategic location, seamless connectivity, and diverse, inclusive atmosphere, Dubai stands as a gateway between East and West an ideal destination to exchange knowledge, foster collaboration, and shape the future of global dialogue.
