About Conference:

Join us for the **3rd World Congress on Infectious Diseases** which is scheduled to be held during **October 08-09, 2026** at **Tokyo, Japan**. Infectious Diseases Congress is a premier gathering of leading experts, researchers, and healthcare professionals dedicated to tackling the evolving challenges in infectious diseases. This dynamic two-day event will feature keynote presentations, panel discussions, and interactive sessions covering a wide spectrum of topics, from emerging infectious threats to advancements in treatment and prevention strategies.

Attendees will have the opportunity to engage with peers from around the globe, share insights on the latest research findings, and explore innovative approaches to combatting infectious diseases. The congress aims to foster collaboration and knowledge exchange to enhance our collective understanding and response to infectious diseases that impact global health.

Don't miss this unique opportunity to network with experts, gain new perspectives, and contribute to shaping the future of infectious disease management. Mark your calendar and join us in Tokyo!

About City

Tokyo, the vibrant capital of Japan, is a city where ancient culture meets modern innovation. Visitors can explore historic sites like the Senso-ji Temple in Asakusa and the peaceful Meiji Shrine, then experience the bright lights and energy of Shibuya and Shinjuku. The city's skyline dazzles with landmarks such as the Tokyo Tower and Tokyo Skytree, offering stunning views. Tokyo is also a paradise for food lovers, from sushi at Tsukiji Market to street food in local alleys. With cherry blossoms, shopping, and culture everywhere, Tokyo promises excitement and beauty in every corner.
