Past Event Report

About Past Event:

Scientex Conferences successfully hosted the “5th World Congress on Primary Healthcare and Medicare Summit” in Paris, France on November 17-18, 2025. The event centered around the themes of “Enhancing Healthcare Excellence Through Global Cooperation” and proved to be a remarkable success. Distinguished keynote speakers from renowned companies and universities graced the occasion, making significant contributions as they addressed the gathered audience.

We extend our heartfelt gratitude to all the esteemed guests, keynote speakers, poster presenters, and delegates for dedicating their time and sharing their valuable research within our peer network. The collaborative relationship we have forged with these attendees and associations brings us immense joy, and we anticipate continued and even greater support in our forthcoming events. Special appreciation goes to our *keynote speakers* — **Parshottambhai Patel**, Apollo Hospital & Shiv shraddha Nursing Home, India; **Zeynep Simsek**, Istanbul Bilgi University, Turkey. Their unwavering support significantly contributed to the resounding success of our healthcare conference through insightful presentations, elevating the event to a distinguished level. We also express sincere thanks to our media partners for their invaluable contribution to the promotion and success of our event.
