About Conference:

Welcome to the **3rd European Congress on Rare Diseases and Orphan Drugs 2027**, proudly hosted by **C2P Forum** on **June 24-25, 2027** in **Vienna, Austria**.

Over two impactful days in the heart of Vienna, this landmark event will unite the brightest minds in global health. We are bridging the gap between scientific discovery and life-changing treatments by bringing together pioneering researchers, clinicians, industry leaders, policymakers, and patient advocates under one roof.

With over 30 million people affected by rare conditions across Europe alone, the need for integrated, borderless collaboration has never been more urgent.

Across 17 specialized sessions, we will discuss exciting new topics like genetic research, AI in medicine, new drug development, and how to better support patient families.

Whether you want to share your research, find new partners, or support rare disease families, we need your voice.

Join us in Vienna to help create a brighter future for rare disease patients worldwide. Register now to secure your place at this landmark event!
