

About Conference

ME Conferences take the immense pleasure to invite participants from all over the world to attend the “5th International Anesthesia and Pain Medicine Conference”. The two-day event on Anesthesiology practices will host 60+ Scientific and technical sessions and sub-sessions on innovative researchers in the field of Anesthesiology and healthcare across the globe. Our conference intends to provide surgeons, physicians, specialists, nurses, professors, students with an opportunity to learn about the multiplicity of the anesthetic care, discuss interventional procedures, look at sophisticated Anesthesia practices and their efficacy and efficiency in the treatment of various cases, and comprehend practical constraints in improving healthcare.
