

World Pediatrics Congress

October 11-13, 2021

San Francisco, USA

Welcome to World Pediatrics Congress

Dear All

We are glad to announce the **World Pediatrics Congress** to be held **in October 11-13 2020, San Francisco, USA** organized by **SunText Meetings**. World Pediatrics Congress 2021 is an international conference which encourages effective knowledge transfer and best practices experts from around all the world.

The World Pediatrics Congress aims to strengthen the participants' action and impact on national, regional and international scales through a multidisciplinary programme that features the latest successful interventions in current medicine and research trends on Pediatric Medicine for the health care of infants, children, and adolescents through the study of pediatric diseases, diagnosis, treatment and management.

San Francisco, being one of the centers for research, education, and science in USA, we will try to bring the maximum number of Pediatricians, Neonatologists, Research Scholars, Medical Colleges, Students, researchers, and workshop teams to provide a better understanding of the field. Come and join with us at San Francisco in October 2021.

Regards
Committee Members
