

Surgery-2021

International Conference and Exhibition on Surgery & Anesthesia

In Co-operation with the New European Surgical Academy

DECEMBER 02-04, 2021 | LONDON, UK

President, The New European Surgical Academy (NESAs), Germany

Welcome...!!!

OLC International invites all the participants from all over the world to attend International Conference & Exhibition on Surgery and Anesthesia during December 02-04, 2021 at London, UK which includes Key-note presentations, Oral talks, Poster presentations and Exhibitions. The theme of the conference is "Disseminating Perspective Solutions in the Field of Surgery".

Surgery-2021 will have 5-6 world level (Highly cited class) plenary speakers, established Keynote speakers, active Invited speakers and fresh contributed speakers. In addition, variety of poster presentations along with workshops and special sessions would be interested in audience.

The aim of the Surgery-2021 is to promote quality research and real-world impact in an atmosphere of true international cooperation between scientists and engineers by bringing together the world class researchers, International Communities and Industrial heads to discuss the latest developments and innovations in the fields of Surgery.

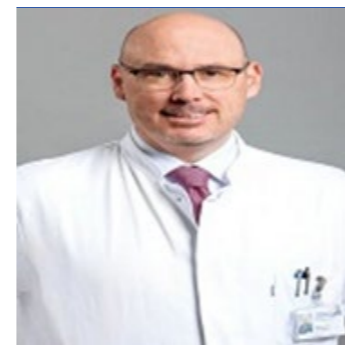

We sincerely hope that Surgery-2021 serves as an international platform for meeting researchers from around the world, widen professional contact and create new opportunities including establishing new collaborations.
