Conference Invitation

Welcome!!

It is a great honour for us to announce that **8th World Congress on Advanced Materials, Materials Science and Engineering** (MatSci 2023) is going to be held during **October 23-24, 2023 at Bangkok, Thailand**. On behalf of organizing committee, we cordially invite the participants from all over the world to take part in this splendid event. MatSci 2023 is a platform of interactions for experts around the world and aims to accelerate scientific discoveries. The theme of the conference is “Innovations & Advanced Technologies in Materials Science” covering a wide extent to serve the speakers to showcase their highly insightful research work, knowledge from the field of Materials Science & Engineering to the audience and participants.

Our aim is to bring global scientists/researchers and doctors to one platform to share updated information and Innovation in the field of Materials Science. Let us meet to get the tremendous experience with international experts at Bangkok, Thailand

- Learn skills and stay up-to-date
- Position yourself as an expert
- New Tips & Tactics
- Learn beyond your field or interest
- Grow Your Network
- Advance Your Career with new technologies

Conference Sessions

- Advanced Materials
- Material Chemistry
- Material Science and Engineering
- Material Physics
- Energy Materials
- Smart Materials
- Biomaterials and Medical Devices
- Structural Materials
- Carbon Nanotubes
- Nanomaterials and Nanotechnology
- Mining & Metals
- Graphene and 2D material
- Composite, Coating and Ceramic Materials
- Green Technologies
- Electronic, Photonic and Magnetic Materials
- Mechanical Properties of Materials
- Corrosion
- Computational Materials Science
- Polymer Science and Surface Science Technology
- Materials Synthesis and Processing
