About the conference

We are thrilled to invite you to the 26th World Dermatology Congress, taking place on August 20-21, 2025, in the enchanting city of Paris, France. This global event is designed to bring together the brightest minds in dermatology, including clinicians, researchers, industry experts, and healthcare professionals, to explore the most pressing issues in dermatology today.

Under the theme of “Anti-Aging Dermatology: Emerging Therapies for Skin Rejuvenation” the congress will feature cutting-edge presentations, interactive workshops, and comprehensive discussions covering the latest advancements in dermatological research, treatment, and care. From skin cancer and chronic skin diseases to cosmetic dermatology and personalized medicine, attendees will have the opportunity to learn from world-renowned experts and network with peers from across the globe.

Whether you’re interested in clinical advancements, cosmetic procedures, or innovative technologies, the 26th World Dermatology Congress is the ideal platform to expand your knowledge and stay at the forefront of this rapidly evolving field.
