## About the conference

The 11th World Congress on Anesthesia and Critical Care, taking place on July 21-22, 2025, in Paris, France, serves as a global forum for anesthesiologists, critical care specialists, researchers, and healthcare professionals to convene and advance the fields of perioperative and critical care medicine.

ANESTHESIA 2025 is available in both In-person and Online formats. We feel that your choice will allow for widespread engagement.

**Theme:** “Revolutionizing Patient Safety and Care through Anesthetic Advances”

## Why to attend the conference

This congress is dedicated to showcasing the latest innovations, clinical practices, and cutting-edge research through keynote lectures, panel discussions, hands-on workshops, and interactive networking sessions. The event provides an ideal platform for knowledge sharing, skill enhancement, and fostering collaborations across disciplines to address challenges and improve patient outcomes. Under the guidance of internationally acclaimed speakers and thought leaders, the conference will spotlight key topics such as patient safety, emerging technologies, perioperative care, and intensive care strategies. Beyond the scientific sessions, participants will have the chance to connect with peers and industry partners while enjoying the iconic charm of Paris.

We look forward to seeing you at Anesthesia 2025 in Paris
