WELCOME TO CANCER 2025

We are delighted to welcome you to the 21st International Conference on Cancer and Cancer Therapy, to be held on February 3-4, 2025, in Edinburgh, Scotland. This premier event will feature ten keynote addresses, over fifty plenary lectures, Young Research Forum Lectures, and twenty poster sessions, fostering vibrant discussions over two enriching days. Attendees can also engage in two symposiums and three interactive workshops designed to promote collaboration and innovation in oncology.

The conference provides an exceptional platform for networking with global professionals committed to advancing cancer therapy. Participants will share cutting-edge research, technological advancements, and innovative approaches in diagnostics, treatment, prevention, and management. The event also facilitates connections with investors and industry leaders, opening doors for potential partnerships and advancements in the field.

We invite you to join this pivotal gathering to exchange ideas, gain valuable insights, and shape the future of cancer therapy. We look forward to welcoming you to Edinburgh for this enriching and collaborative experience!

IMPORTANT DATES

Early Bird Registration: December 27, 2024

1st Round : Abstract Submission

January 15, 2025

Confirm your slot with Early bird Price

Organizing Committee

ABOUT US

Allied Academies every year hosts interdisciplinary international conferences worldwide on cutting-edge basic and applied research in life sciences, Pharma, Medicine, Healthcare and Nursing delivered by the best talents in industry and academia. Our conferences are oriented to drive the scientific community at large, facilitating access to the newest technical and scientific achievements and to shape future research directions through the publication of applied and theoretical research findings of the highest quality.

Bound together Allied Academies has transformed into a prominent choice for the experts and academicians to display their marvellous duties. The distributor gives pursuers and creators an aggregate stage to confer their work to the overall gathering.

Allied Academies Conferences aims to gather the Researchers, principal investigators, experts and researchers working under academia and health care industry, Business Delegates, Scientists and students across the globe to provide an international forum for the dissemination of original research results, new ideas and practical development experiences. This academic occasion to revitalize the enduring connections and flash with new peers around the globe.

Meet the Global Inspiring Experts and Speakers at Allied Academies Conferences to talk about on new advances in the field of medical and engineering to improve ehealth and treatment and additional innovations. Our Conferences is not just to make a phase to exchange estimations to the enormous social occasion of individuals, yet also endeavour to spread focused and research advances in the clinical and physiological parts of various fields.

EDITORIAL BOARD MEMBERS 2023

Jeffrey A. Marksberry

Vice President

Electromedical Products International Inc. , USA

Roy Kiessling

Director

EMDR consulting , USA

Jerry Sparby

Executive Director

University of Massachusetts Boston , USA

Sam D. Bernard

President

Bernard & Associates , USA

Bindu Babu

Professor

Holistic Entrepreneurship , USA

POSTER

SCIENTIFIC SESSIONS

- Innovations in Cancer Diagnostics
- Chemotherapy
- Stem Cells in Cancer Research
- Plasma Technology in Cancer Treatment
- Emerging Therapies in Oncology
- Pediatric Oncology
- Radiation Oncology
- Breast Cancer
- Blood Cancer
- Oral and Oropharyngeal Cancer
- Dermatologic Oncology
- Pathology in Cancer Diagnosis and Prognosis
- Cancer Pathophysiology
- Cancer Nanotechnology
- Palliative Care in Cancer
- Cancer Interventions and Techniques
- Gynaecologic and Prostate Cancer
- Cancer Prognosis and Epidemiology
- Cancer Genomics and Epigenetics
- Cancer Immunology and Immune Therapies
- Cancer Pharmacology and Drug Development
- Types of cancer
- Case Reports and Case Series

○ Purpose

With members from around the world focused on learning about Cancer and Cancer Therapy, this is your single best opportunity to reach the largest assemblage of participants from the scientific community.

Conduct demonstrations, distribute information, meet with eminent personalities, and make a splash with latest research innovations at this outstanding event.

○ Goals

- The conference program emphasizes evidence-based practice, educational innovation, practical application, and peer to peer networking and collaboration.
- Cancer 2025 is a massive platform for the distribution of knowledge, networking, innovations, unique concepts, and for collaboration. Young researchers and examiners deserve the best future and better chances in the related field and we trust that you can make it happen as well as successful.
- The Cancer 2025 conference will give you the opportunity to share your expertise, experiences, and innovative ideas with international specialists in the fields of Cancer Nursing.

○ Who should attend?

With aspects from all over the world focused on revealing information about Cancer Nursing and Preventive Medicine and its advancements; this is your best chance to put together a genuine gathering of Psychology and Mental Health social order partners. At this two-day event, you will create introductions, fit data, connect with current and future specialists, sprinkle underutilized pathways, and gain title confirmation. This meeting will feature internationally renowned speakers, the most up-to-date procedures, developments and news in the fields of Cancer Nursing Specialists.

○ Diverse Action-Oriented Programming & Networking

EXPERIENCE: Inspiring change around the country and world, growing a revolution from the heart of Cancer Nursing research.

EXPLORE the forefront of breakthrough ideas and models in electrifying morning keynote talks, featuring luminaries and “the greatest people you’ve never heard of.”

NETWORK with a community of leadership - dynamic change makers from around the country and world, or from your region, to develop important professional and personal relationships.

SHARE your insights and learning at the conference in participatory and experiential workshops.

DISCOVER powerful opportunities and strategies for creating and engaging with progressive change in your work, life and community.

CELEBRATE how great a difference one person can make, and how building community amplifies that change.

WHAT TO GET FROM CANCER 2025

RESEARCHERS

Cancer 2025 will serve as a global platform for experts to share innovative ideas and foster international collaboration between industry and academia. The conference aims to drive progress in cancer research, treatment, and prevention by uniting diverse perspectives and encouraging groundbreaking partnerships.

DELEGATES

Will provide Networking Opportunities to cultivate mutually benefited relationships and will be a platform where ideas and visions will be exchanged and enlightened.

YOUNG RESEARCHER

An opportunity to show case their talent with the guidance of renowned experts by sharing ideas and visions.

CANCER 2025

TENTATIVE PROGRAM

DAY 1 | MONDAY | FEBRUARY 3, 2025

08:00-09:00	REGISTRATION
09:00-09:15	INAUGURAL ADDRESS
09:15-09:45	KEYNOTE/PLENARY TALK 1
09:45-10:15	KEYNOTE/PLENARY TALK 2
10:15-10:45	KEYNOTE/PLENARY TALK 3

PANEL DISCUSSIONS/GROUP PHOTO

10:45-11:00 COFFEE BREAK/NETWORKING

	ROOM 1	ROOM 2
11:00-12:00	INNOVATIONS IN CANCER DIAGNOSTICS	STEM CELLS IN CANCER RESEARCH
12:00-13:00	CHEMOTHERAPY	PLASMA TECHNOLOGY IN CANCER TREATMENT
13:00-14:00 LUNCH BREAK		
14:00-15:00	EMERGING THERAPIES IN ONCOLOGY	BREAST CANCER & BLOOD CANCER
15:00-16:00	PEDIATRIC ONCOLOGY & RADIATION ONCOLOGY	ORAL AND OROPHARYNGEAL CANCER

16:00-16:20 COFFEE BREAK/NETWORKING

DAY 2 | TUESDAY | FEBRUARY 4, 2025

08:00-09:00	REGISTRATION
09:00-09:15	INAUGURAL ADDRESS
09:15-09:45	KEYNOTE/PLENARY TALK 1
09:45-10:15	KEYNOTE/PLENARY TALK 2
10:15-10:45	KEYNOTE/PLENARY TALK 3

PANEL DISCUSSIONS/GROUP PHOTO

10:45-11:00 COFFEE BREAK/NETWORKING

	ROOM 1	ROOM 2
11:00-12:00	DERMATOLOGIC ONCOLOGY	PATHOLOGY IN CANCER DIAGNOSIS AND PROGNOSIS
12:00-13:00	CANCER PATHOPHYSIOLOGY & CANCER NANOTECHNOLOGY	PALLIATIVE CARE IN CANCER
13:00-14:00 LUNCH BREAK		
14:00-15:00	CANCER INTERVENTIONS AND TECHNIQUES	GYNAECOLOGIC AND PROSTATE CANCER & CANCER PROGNOSIS AND EPIDEMIOLOGY
15:00-16:00	CANCER GENOMICS AND EPIGENETICS	CANCER IMMUNOLOGY AND IMMUNE THERAPIES

16:00-16:20 COFFEE BREAK/NETWORKING

16:20-17:30	CANCER PHARMACOLOGY AND DRUG DEVELOPMENT & TYPES OF CANCER	CANCER & STEM CELL THERAPY

ABOUT VENUE

Edinburgh, Scotland, is a city that seamlessly blends history, culture, and natural beauty into an unforgettable experience. Known as the “Athens of the North,” it is a place where medieval alleyways intertwine with Georgian elegance, and where every corner reveals a story from centuries past. The iconic Edinburgh Castle, perched atop Castle Rock, offers breathtaking views and echoes the city’s rich history, while the Royal Mile and Holyrood Palace transport visitors to a bygone era. Yet, Edinburgh is also a vibrant modern city, buzzing with artistic energy, world-class festivals, and warm hospitality.

This enchanting city is alive with the sound of bagpipes, the scent of malt from whisky distilleries, and the charm of bustling streets lined with cozy cafes and traditional pubs. Its verdant parks, like Arthur’s Seat and the Meadows, provide tranquil escapes, while its museums, galleries, and theaters celebrate the creativity that Edinburgh is famed for. Whether exploring the historic Old Town or the elegant New Town, you’ll feel the magic of a place where every step resonates with heritage and inspiration.
