# About us

Scientex Conferences provide a global platform for exchanging ideas and keeps on updating about the latest innovations in different Subjects. Opportunity to attend the presentations delivered by eminent Scientists from all over the world. Global networking: In transferring and exchanging Ideas. A Unique Opportunity for Advertisers and Sponsors at this International event. We present you team of dedicated minds driven by the thought of gathering together the people of alike objected to an exclusive platform. Science brings forward the art of molding the experience and the experiments into a reality. These assembling realities, eventually, give birth to the various fields all together comprise a world get known as science, technology, and advancement. Scientex conference acts a dais where people from various parts of the world come together and discuss topics, ranging from physics to medicine, ever beneficial to an advancement of the human civilization. Alongside, the news and views get exchanged among the personnel across the globe. Scientex conferences strives toward evolving a resource of information, unprecedented problems as well as their solutions such that it enhances the very core of the scientific community thus adding values to human society. Come. Join us! View the substantial minds talk their cut- through researches at the Scientex conferences. Well organized scientific program. [\(click here for more\)](#)

- Renowned speakers and scientists across the globe.
- Poster presentations and world class exhibits.
- Panel discussions and interactive sessions.
- B2B meetings.
- Perfect platform for Global Networking

# Conference and Webinar Details

## About Conference

With a grand success of past four series of Neuroscience and Psychiatry conference, We welcome you all to attend the **“5<sup>th</sup> International Conference on Neuroscience and Psychiatry”** scheduled during November 26-27, 2025 in Paris, France. The main theme of the conference is “Modern Revolution for the Future of Neuroscience and Psychiatry”. Join this intimate forum to create meaningful partnerships with 80+ Neuroscience experts. Translate key technological & mechanistic neuroscience advances into the clinic.

Neuroscience 2025 Mission: To provide the highest quality neuroscience and psychiatry education to learners and practitioners of all levels.

Neuroscience 2025 Vision: Through our inspiring international faculty, innovative programming, and vibrant interactions among all attendees, Neuroscience 2025 conference aspires to be the best neuroscience and psychiatry educational event in the world.

We strongly believe that Neuroscience 2025 will be a huge success and exceed our expectations extremely. [\(click here for more\)](#)

## About Webinar

The **5<sup>th</sup> International Webinar on Neuroscience and Psychiatry** is Organized by Scientex conferences during November 03-04, 2025 focused on the theme “Modern Revolution for the Future of Neuroscience and Psychiatry”. Attendees had the opportunity to receive an e-certificate of attendance. Join this intimate forum to create meaningful partnerships with 80+ Neuroscience experts. Translate key technological & mechanistic neuroscience advances into the clinic.

Our goal is to bring together worldwide distinguished academics in the field of Neuroscience and Psychiatry to exchange and share meaningful experiences of various treatment procedures for mental health, neurological disorders and stroke. [\(click here for more\)](#)

### CONFERENCE HIGHLIGHTS

- Lectures by the active Investigators
- Keynote forums by Renowned Speakers
- Speaker Forum
- Poster Sessions on latest Innovation in all the relevant Areas
- Panel discussions and interactive sessions.
- Open Innovation Challenges
- Poster Sessions on every career stage
- Post-Doctoral Career Development Session
- Young Research Forum
- B2B Meetings
- Global Networking with 50+ Countries
- Novel techniques to benefit your research
- Best platform for Global business and Networking opportunities
- Excellent platform to showcase the latest products in Neuroscience and affiliates

### TARGET AUDIENCE

- Neurologists, Neurosurgeons,
- Neuroscientists, and Researchers
- Neurology Faculty and Students
- Doctors and Scientists
- Universities, Associations, and Societies
- Students and Research Scholars
- Business Delegates
- Product Manufacturer
- Psychiatrists and Psychologists

# Session Highlights

- **Neuroscience and Neurology**
- **Psychiatry**
- **Neuroimmunology**
- **Child and Adolescent Psychiatry**
- **Psychology and Mental Health**
- **Paediatric Neurology**
- **Adult Neurogenesis and Cell Biology**
- **Neuroinfections and Neuroinflammation**
- **Neuropharmacology and Neuroendocrinology**
- **Alzheimer Disease, Ageing and Dementia**
- **Stroke and Trauma**
- **Neurosurgery**
- **Brain and Neurological Disorders**
- **Neuroimaging and pathology**
- **Neurotherapeutics, Diagnostics and Case studies**
- **Neurological Complications of COVID\_19**

# About Venue

MyMILLENNIUM

MILLENNIUM  
HOTELS AND RESORTS

MILLENNIUM HOTEL PARIS CHARLES DE GAULLE,  
Zone Hôtelière 2 Allée Du Verger Roissy En  
France, 95700 Paris, France

The Millennium Hotel Paris Charles De Gaulle offers an exceptional blend of convenience, comfort, and elegance, making it an ideal choice for both business and leisure travelers. Located just a short distance from Charles De Gaulle Airport, the hotel provides easy access to Paris and surrounding attractions, with a complimentary shuttle service ensuring stress-free transfers. Guests can enjoy well-appointed rooms equipped with modern amenities, including free Wi-Fi and comfortable workspaces. The hotel's on-site dining options, such as the traditional French brasserie and an inviting bar, offer diverse culinary experiences. Fitness enthusiasts will appreciate the well-equipped gym, while the serene indoor pool and sauna provide relaxation after a busy day. Business travelers benefit from versatile meeting spaces with state-of-the-art facilities, perfect for conferences and events. Its picturesque garden courtyard adds charm and tranquility, ensuring a memorable stay for all guests at this stylish and well-connected property.

## About Venue:

Paris, the City of Light, is a world-renowned hub for culture, history, and innovation, making it an ideal venue for international conferences. Known for its iconic landmarks like the Eiffel Tower, the Louvre Museum, and the Notre Dame Cathedral, Paris seamlessly blends its rich heritage with modern sophistication. The city boasts state-of-the-art conference facilities, excellent transportation networks, and a vibrant culinary scene, ensuring a seamless experience for both organizers and attendees. Its unique ambiance fosters collaboration, creativity, and inspiration, creating the perfect environment for intellectual and professional growth. Paris's strategic location and global connectivity make it accessible to delegates worldwide. After sessions, attendees can explore charming streets, shop at high-end boutiques, or enjoy picturesque views along the Seine. Combining professional excellence with cultural enrichment, Paris promises to elevate the conference experience, leaving participants with lasting memories of knowledge and discovery. WEBINAR / VIRTUAL CONFERENCE REGISTRATION	\$399	\$499	\$599
VIDEO PRESENTATION	\$299	\$399	\$499
ACCOMPANYING PERSON	\$200	\$300	\$400

## GROUP REGISTRATION

Group enrollments will be viewed on the web or by E-mail to profit from the advantages of the purchase of group tickets by one individual for a total group with discounted registration charges. A minimum of 4 members is going to be considered as a group with a minimum 20% discount on registration charges. [\(click here for more\)](#)

## TOP REASONS TO PARTICIPATE

- Develop Your Network
- Position Yourself as an Expert
- Meet Experts & Influencers Face to Face
- Gain Targeted Knowledge
- New Tips & Tactics
- Invest In Yourself
- Gain New Collaborations
- Present your Ideas and Work
- Be Inspired
- Travel, Explore and Have Fun!!

# Past Event Report

## About Past Event:

Scientex Conference successfully hosted its fourth series on the “4<sup>th</sup> International Conference on Neuroscience and Psychiatry” at Grand Mercure Bangkok Atrium during November 14-15, 2024 and “3<sup>rd</sup> International Webinar on Neuroscience and Psychiatry” on November 21-22, 2024 as per the time zone GMT+7. The conference was organized with a theme focused on “Modern Revolution for the Future of Neuroscience and Psychiatry” and it was a great success where eminent keynote speakers from various universities addressed the gathering. The generous response and active participation of the Organizing Committee Members played a major role in the success of Neuroscience and Psychiatry 2024. On another hand, we take the opportunity to thank all the speakers, delegates and participants for providing their valuable support and time for the conference.

Neuroscience 2024 Organizing Committee would like to thank the keynote speakers, plenary speakers, delegates and young researchers for making the sessions such a worthwhile experience. Also, we would like to thank the Moderator of the conference, Daniel Lee, American University of Caribbean School of Medicine, Sint Maarten and the moderator of the webinar Yasaman Mahdizadeh Darban, Babol University of Medical Sciences, Iran who contributed a lot for the smooth functioning of this event. 15:00-15:30	-	Refreshment Break
15:30-17:00	-	Break Out Session

# Testimonials

# Feedback

## TATSU KOBAYAKAWA

Advanced Industrial Science and Technology,  
Japan

Thank you for giving me a chance to attend this conference and giving me a chance to present my study. I could really enjoy this conference even though not on site but remote. On real operation was really smooth... [\(click here for more\)](#)

## NOURY BAKRIM

University of the People, USA

This is really an interesting perspective in neuroscience. In my opinion, all the assistance made in the conference is perfect and I can say that the forum is of higher quality. My expectation has been positively met and hope that will continue to have an interesting discussion.

## POLYANSKIY DMITRY ALEKSEEVICH

V.P. Serbsky National Medical Research Center for  
Psychiatry and Narcology, Russian Federation

The organization of the conference, excellent reports and serious support were very good. First-class organization of the conference! Thank you for the opportunity to participate in the conference!!!

## NINA S MISHCHANCHUK

National Academy of Medical Sciences of  
Ukraine, Ukraine

Thank you and all Conference Organizing Committee for this great event. We express their sincere gratitude for the opportunity to participate in the conference and publish their poster. Thank you very much for your help and support.

## CHEHDA ARROUF LAOUAR

Faculty of Medicine of Strasbourg, Algeria

I am so glad to participate here in Dubai to the 3rd international conference on neuroscience and psychiatry. The event was interesting. Thank you for opportunity. I very much hope to be among the participants for the "4th International conference on Neuroscience and Psychiatry" in Bangkok, Thailand on November.

## SIVA ANOOP YELLA

Telangana Institute of Medical Sciences, India

It was really a great experience and it was been an honour and pleasure to be here in the city of Vienna to meet all the renowned speakers from all over the world. Being a Neuropsychiatrist, I personally learned a lot from other presentation... [\(click here for more\)](#)

## NATALIA V BELOBORODOVA

Federal Research and Clinical Center of Intensive Care  
Medicine and Rehabilitology, Russian Federation

Thank you for organising of this 3rd NEUROSCIENCE conference, first and second days both are very interesting and hopefully, I really enjoyed!

## SARKA SPECIANOVA

Charles University, Czech Republic

Thank you for the opportunity to actively participate in this conference. It was an interesting meeting of experts from all over the world. Thank you for contacting me with this offer.

## RACHEL SHOHAM

Talpiot College, Israel

I wanted to express my heartfelt thanks for organizing such a wonderful conference. The sessions were engaging, the speakers were inspiring, and the entire event was executed seamlessly. It was truly a privilege to be part of it. Your hard work and attention to detail did not go unnoticed, and I'm sure many others share this... [\(click here for more\)](#)

## SETAREH HAJDIVAN BACHARI

University of Tehran, Iran

It was a great honor to be a part of your wonderful conference and share our issues with other specialists. Thanks to you and Scientex. I hope to see you soon.
