- Pulmonology
- Quality Improvement
- Resuscitation & Transport
- Sedation & Analgesia
- Surgery & Anaesthesia
- Translational Research
- Trauma & Emergency Medicine

14-15 JULY 2025

LONDON, UK

# 3rd World Conference on Pediatrics, Neonatology, and Infectious Diseases

## Welcome Message

Dear Colleagues and Distinguished Guests,

On behalf of the Organizing Committee, it is our distinct honor and pleasure to welcome you to the **3rd World Conference on Pediatrics, Neonatology, and Infectious Diseases**, scheduled to take place on **July 14-15, 2025, in London, UK**. This highly anticipated gathering promises to be an extraordinary platform for sharing knowledge, advancing research, and fostering meaningful collaborations in the fields of pediatrics, neonatology, and infectious diseases.

This year's conference theme, "**Innovations in Child Health and Pediatric Drug Development**," reflects the critical importance of innovation in addressing the growing complexities and challenges in child healthcare. As medical science rapidly evolves, so too must our approaches to improving the health outcomes of children around the world. This conference aims to bring together pioneers and experts from diverse disciplines to share groundbreaking research, explore the latest technological advancements, and discuss innovative therapeutic solutions that will shape the future of pediatric medicine.

Over the course of two days, we will be privileged to hear from world-renowned speakers and researchers who will present cutting-edge insights into areas such as pediatric drug development, neonatal care, infectious diseases, vaccination strategies, and much more. From in-depth keynote addresses and panel discussions to specialized workshops and interactive sessions, the conference will offer an exceptional opportunity for professionals to engage, exchange ideas, and collaborate on solutions that directly impact the lives of children.

We are also delighted that this year's conference will be held in the historic and vibrant city of London, a hub of culture, innovation, and healthcare excellence. We encourage you to explore the rich history and dynamic atmosphere of this remarkable city, which provides the perfect backdrop for intellectual exchange and collaboration.

Whether you are joining us in person or virtually, we are confident that this conference will provide you with valuable insights and inspire you to take new ideas back to your practice, research, or institution. Together, let us build a brighter, healthier future for children worldwide.

## The Organizing Committee

3rd World Conference on Pediatrics, Neonatology, and Infectious Diseases

**Awards**

accredited

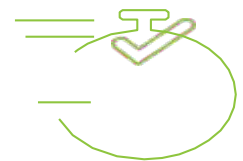

**40+**

Speakers

**10+**

Keynote Speakers

**25+**

Sessions

The congress will offer you the option to learn and network with the key stakeholders and the global visionaries, who are making valuable evolutions in the industry.

# About Venue

## LONDON, UK

London, the vibrant capital of the United Kingdom, is a leading global city blending rich history with modern innovation. Known for its cultural diversity, historical landmarks, and world-class medical institutions, it is the perfect setting for the 3rd World Conference on Pediatrics, Neonatology, and Infectious Diseases.

### Top Tourist Attractions in London

1. The British Museum – A treasure trove of global history and artifacts.
2. Tower of London – Home to the Crown Jewels and centuries of British history.
3. Buckingham Palace – The official residence of the British monarchy.
4. Houses of Parliament & Big Ben – Iconic landmarks on the River Thames.
5. London Eye – Offering panoramic views of the city's skyline.
6. Covent Garden – A lively hub of shops, restaurants, and street performances.
7. Natural History Museum – Fascinating exhibits, perfect for families.
8. West End Theatre District – Catch world-class plays and musicals.

### Why London is Ideal for the Pediatrics Conference

- World-Class Medical Institutions: Home to Great Ormond Street Hospital and leading research centers.
- Global Networking: A diverse and international professional environment.
- Rich Cultural Experience: Explore the city's museums, theaters, and historic landmarks.
- Easy Accessibility: Five international airports and excellent public transport.
- Diverse Cuisine: A vibrant food scene with flavors from around the world.

# REGISTRATION DETAILS

## HOW TO REGISTER

**On Site Booking: July 14, 2025 (ON OR BEFORE)** Important  
**Dates Abstract submission opens: October 01, 2024** Early Bird  
**Registration End: December 30, 2024 (ON OR BEFORE)**

More info at [www.pediatrics.clsconf.com/registration/](http://www.pediatrics.clsconf.com/registration/)

Note: Please note that registration prices are subject to change at any time. For the most up-to-date information, please visit our conference registration page.

### Academic Registration

Only Registration: € 699  
Package A (Registration + 2 nights  
Accommodation): € 1199

### Business Registration

Only Registration: € 799  
Package A (Registration + 2 nights  
Accommodation): € 1299

### Student Registration

Only Registration: € 249

### Sponsor Registration

Exhibitor (In-Person) € 2500  
Exhibitor (Virtual) € 1500  
Sponsor: € 7000
