Welcome Message:

The International Experts Summit on Oncology & Cancer Care (Oncology Summit-2026) is a premier international platform that brings together leading oncologists, researchers, clinicians, healthcare professionals, policymakers, and patient advocates to explore the latest advancements in cancer research and patient care. Scheduled to take place from April 13–15, 2026, in the vibrant city of Tokyo, Japan, this summit aims to foster innovation, collaboration, and practical solutions to improve outcomes in oncology and cancer treatment worldwide.

The summit will feature keynote speeches, scientific sessions, hands-on workshops, and panel discussions covering a broad spectrum of topics across cancer prevention, diagnosis, treatment, palliative care, and survivorship. Oncology Summit-2026 offers a unique opportunity for knowledge exchange, networking, and the development of cross-sector collaborations among academia, healthcare, industry, and public health sectors.

Whether you're a researcher, clinician, healthcare provider, industry expert, or policymaker, this summit is your gateway to shaping the future of global cancer care. Join us in Tokyo to engage with cutting-edge research, discover emerging therapies, and contribute to a future where cancer care is more effective, compassionate, and accessible.

About Japan:

Discover Tokyo, Japan: Where Tradition Meets Innovation

Tokyo, Japan's dynamic capital, is a mesmerizing fusion of ancient traditions and futuristic innovation. From the serene beauty of the Meiji Shrine and the historic streets of Asakusa to the ultra-modern skyline of Shibuya and the iconic Tokyo Skytree, the city offers an unforgettable cultural journey. Explore Tokyo's renowned culinary landscape—from bustling local izakayas and sushi counters to Michelin-starred dining experiences. With an efficient public transportation system and world-class infrastructure, navigating Tokyo is seamless, safe, and convenient.

How to Get to Tokyo:

International travelers typically arrive at either Narita International Airport (NRT) or Haneda Airport (HND)—both offering excellent services and connectivity. Located within easy reach of the city center, these airports provide multiple transportation options including high-speed trains, airport limousines, taxis, and subways. With modern facilities, abundant shopping and dining options, and streamlined customs procedures, your journey to and from Tokyo is designed for maximum comfort and ease.
