About Conference:

Welcome to the **4th European Hematology and Blood Disorders Congress**, scheduled for **June 24 - 25, 2027**, in the historic city of **Vienna, Austria**. This prestigious congress brings together hematologists, oncologists, researchers, clinicians, and healthcare professionals from around the globe to delve into the latest advancements in hematology and blood disorders.

Attendees can expect a comprehensive program featuring keynote presentations, interactive workshops, poster sessions, and panel discussions covering a wide range of topics. These include hematologic malignancies, benign hematologic disorders, transfusion medicine, stem cell transplantation, immunotherapy, and precision medicine in hematology.

The congress serves as a vital platform for knowledge exchange, networking, and collaboration among experts and stakeholders in the field. Participants will have the opportunity to explore innovative therapies, discuss emerging research findings, and address challenges in hematology practice and patient care.

Join us in Vienna to contribute to advancements in hematology and blood disorders, forging connections that drive progress and improve outcomes for patients worldwide.

Key Highlights:

- ▲ Keynote sessions by hematology and blood disorders experts
- ▲ Interactive panel discussions
- ▲ Cutting-edge poster presentations
- ▲ Networking with peers and professionals
- ▲ Access to industry exhibits and demonstrations

Why Attend?

- ▲ Gain insights into the latest research, treatments, and innovations in hematology and blood disorders.
- ▲ Connect with leading hematologists, oncologists, researchers, and healthcare professionals from around the world.
- ▲ Stay updated with evolving guidelines, clinical trials, and best practices in the field of hematology.
- ▲ Learn about cutting-edge technologies & therapies shaping the future of hematology & blood disorder treatments.
- ▲ Gain practical insights and strategies to improve patient outcomes and quality of care in hematology.

Who Should Attend?

- ▲ Hematologists and oncologists
- ▲ Transfusion medicine specialists, thrombosis and clinical trials specialists
- ▲ Hemostasis and coagulation specialists, geneticists and pathologists
- ▲ Academic, scientists, researchers and students
- ▲ Bone marrow transplantation specialists, pharmacologists, industry representatives and other related professionals

Sessions

▲	Precision Medicine and Molecular Hematology
▲	CAR-T Cell Therapy and Cellular Immunotherapy
▲	Novel Therapies in Acute Leukemias
▲	Multiple Myeloma: From Diagnosis to Next-Generation Therapies
▲	Myelodysplastic Syndromes and Myeloproliferative Neoplasms
▲	Lymphomas: Advances in Diagnosis and Treatment
▲	Thrombosis and Hemostasis
▲	Bispecific Antibodies and Novel Immunotherapies in Hematologic Malignancies
▲	Immune-Mediated Hematologic Disorders
▲	Thalassemia and Sickle Cell Disease
▲	Gene Editing and Gene Therapy in Hematology
▲	Bone Marrow & Stem Cell Transplantation
▲	Artificial Intelligence and Digital Transformation in Hematology
▲	Biomarkers and Liquid Biopsy in Hematologic Diseases

▲	Transfusion Medicine and Patient Blood Management
▲	Rare Hematologic Diseases and Diagnostic Challenges
▲	Pediatric Hematology and Childhood Blood Disorders
▲	Inherited Bone Marrow Failure Syndromes
▲	Clonal Hematopoiesis and Age-Related Hematologic Disorders
▲	Hematologic Emergencies and Critical Care
▲	Hematology Nursing: Innovations in Patient Care
▲	Genetic and Molecular Basis of Hematologic Disorders
▲	Benign Hematology
▲	Platelet Disorders, ITP, TTP and HUS
▲	Translational Research in Hematology
▲	Hemoglobinopathies: Emerging Diagnostics
▲	Hemophagocytic Lymphohistiocytosis
▲	Paroxysmal Nocturnal Hemoglobinuria
▲	Clinical Management of Hemophilia
▲	Immunohematology

Important Dates

October 28, 2026	October 30, 2026	January 31, 2027	June 24, 2027
Abstract Submission Deadline	Early Bird Registration	Mid Term Registration	Final/Onsite Registration
