

ICDCR 2027

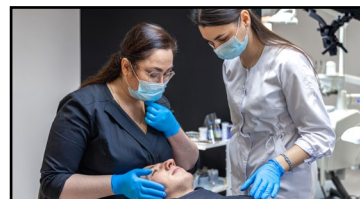

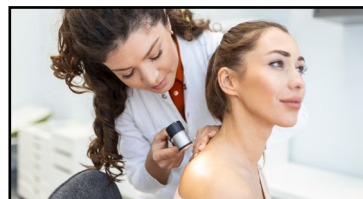

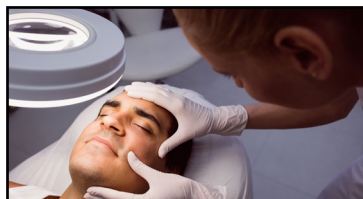

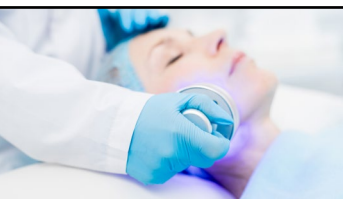

2nd International Congress on
**Dermatology &
Cosmetic Research**

September 20-21, 2027

Valencia, Spain

Theme: Global Perspectives and Innovative Approaches in Dermatology and Cosmetic Research

Website: <https://dermatology.inovineconferences.com> | WhatsApp: +1 (778) 308-3954

Email: dermatology@inovineconference.com | Phone: +1-408-648-2233

Conference Invitation

The **2nd International Congress on Dermatology & Cosmetic Research (ICDCR-2027)** will take place in Hybrid Format on **September 20-21, 2027**, in **Valencia, Spain** bringing together leading experts and professionals in **dermatology, cosmetic science, aesthetic medicine, and skin health**.

The summit will provide an international platform for dermatologists, cosmetic researchers, aesthetic physicians, plastic surgeons, trichologists, cosmetologists, researchers, healthcare professionals, academicians, and industry experts to share research, clinical experiences, innovations, and emerging technologies.

Exploring the Future of Dermatology & Cosmetic Research

The scientific program will cover clinical dermatology, skin diseases, dermatopathology, acne, psoriasis, eczema, skin cancer, hair and scalp disorders, aesthetic dermatology, anti-aging, regenerative medicine, lasers and energy-based therapies, injectables, dermal fillers, cosmetic formulations, cosmeceuticals, skin imaging, AI, digital health, personalized medicine, and novel therapies.

With a focus on innovation, research, education, and patient-centered care, **ICDCR-2027** will encourage scientific exchange and collaboration while exploring new approaches shaping the future of dermatology, aesthetic medicine, and cosmetic research.

Join us in **Valencia** to connect, collaborate, and explore the future of dermatology and cosmetic research.

09:30 - 10:30	Refreshment Break
10:30 - 11:00	Keynote Session
11:00 - 12:30	Lunch Break
12:30 - 13:30	Speaker session
13:30 - 15:00	Refreshment Break
15:00 - 15:30	Poster Session
15:30 - 18:00	Closing Ceremony

Day-2 September 21, 2027

TIME	SESSION
08:00 - 09:00	Registrations
09:00 - 09:30	Plenary Session
09:30 - 10:30	Refreshment Break
10:30 - 11:00	Keynote Session
11:00 - 12:30	Lunch Break
12:30 - 13:30	Speaker session
13:30 - 15:00	Refreshment Break
15:00 - 15:30	Poster Session
15:30 - 18:00	Closing Ceremony

Target Audience

- Dermatologists
- Cosmetic Dermatologists
- Dermatologic Surgeons
- Pediatric Dermatologists
- Geriatric Dermatologists
- Hair Restoration Specialists
- Skin Cancer Specialists
- Cosmetic Surgeons
- Aesthetic Medicine Practitioners
- Dermatopathologists
- Laser & Skin Treatment Experts
- Molecular & Genetic Dermatologists
- Dermatology Researchers

7 Best Perks Offering @ ICDCR 2027

- Broadcast your presentation Live over the web! Join us with your Colleagues
- Global Exposure to your Research
- Networking with Experts in the Field
- Best Poster Competition and Young Researcher Competition
- Opportunity to participate as a Student Delegates
- Publish your research in International Journal
- The Career Guidance Workshops to the Graduates, Doctorates and Post-Doctoral Fellows

Conference Sessions

- Research and Innovation in Dermatology and Cosmetology
- Clinical Dermatology
- Medical Dermatology
- Cosmetic and Aesthetic Dermatology
- Precision and Personalized Dermatology
- Artificial Intelligence, Machine Learning and Generative AI in Dermatology
- Digital Dermatology and Teledermatology
- Dermatopathology and Molecular Diagnostics
- Autoimmune and Inflammatory Skin Disorders
- Allergy and Immunodermatology
- Atopic Dermatitis and Emerging Therapies
- Psoriasis and Novel Therapeutics
- Pigmentation Disorders and Melasma
- Vitiligo and Repigmentation Therapies
- Acne, Rosacea and Pilosebaceous Disorders
- Fungal and Bacterial Skin Diseases
- Pediatric and Neonatal Dermatology
- Geriatric Dermatology and Skin Longevity
- Trichology, Hair Loss and Hair Transplantation
- Nail Disorders and Therapeutics
- Dermatologic Oncology and Melanoma
- Wound Healing and Scar Management
- Skin Rejuvenation and Anti-Aging
- Regenerative Dermatology and Aesthetic Medicine
- Stem Cell-Based Therapies in Dermatology
- Exosomes and Extracellular Vesicles in Skin Regeneration
- Platelet-Rich Plasma and Autologous Therapies
- Tissue Engineering and 3D Skin Bioprinting
- Novel Therapeutics in Skin Science
- Biologics and Targeted Therapies
- Targeted Drug Delivery Systems
- Nanotechnology in Dermatology and Cosmetics
- Gene Therapy and Gene Editing for Skin Diseases
- Genetics, Genomics and Epigenetics in Dermatology

Participation & Slot Confirmation

Based on your professional interests and preferred mode of participation, you may select the category that best aligns with your objectives. Please review the participation requirements below.

Speaker - In - Person / Virtual

- Submit an abstract highlighting your research, professional expertise, clinical experience or innovations.

Abstract Submission: <https://dermatology.inovineconferences.com/submit-abstract.php>

- Type of presentation: Oral or Poster Presentation.
- All abstracts will undergo review by the Organizing Committee.
- Upon acceptance, speakers may confirm their presentation slot by completing registration.

Delegate - In-Person / Virtual

- Select your preferred In-Person or Virtual participation option.
- Participate in scientific sessions, expert presentations, discussions and networking opportunities.
- Abstract submission is not required for delegates.
- Confirm your participation by completing registration.

Student - In-Person / Virtual

- Students are welcome to participate as either a Speaker or Delegate.
- Select the category and participation mode that best suits your interests.
- Students participating as speakers are required to submit an abstract and receive acceptance before confirming their presentation slot.

Participation & Slot Confirmation

Exhibitor - In-Person:

- Present your products, services, technologies and innovative healthcare solutions to a professional audience.
- Submit an exhibition proposal for consideration by the Organizing Committee.
- Exhibitor participation can be confirmed following approval and registration.

Workshop:

- Experts are invited to submit a workshop proposal outlining the topic, objectives, learning outcomes and proposed format.
- Workshop proposals will be reviewed by the Organizing Committee.
- Approved workshops may be confirmed through registration.

Group Discounts:

- Special group rates are available for institutions, universities, professional organizations and colleagues registering together.
- Please contact us for group registration packages and available offers.

Invitation Letter:

Following successful registration, participants may receive an official invitation letter to support their visa application and travel arrangements to Valencia, Spain.

Accommodation:

In-person participants may request accommodation assistance and package options, subject to availability and based on room type, occupancy and duration of stay.

About Valencia, Spain

Valencia, Spain, is a vibrant Mediterranean city known for its rich history, modern architecture, and beautiful coastline. It is Spain's third-largest city and an important center for education, research, healthcare, and innovation. The city is home to renowned universities, hospitals, research institutions, and biomedical centers. Valencia offers excellent opportunities for scientific networking, international collaboration, and professional events. Its famous City of Arts and Sciences reflects the city's strong connection with science and innovation. Visitors can enjoy beautiful beaches, historic landmarks, parks, and diverse cultural attractions. Valencia is also famous for its traditional paella, which originated in the region. With good international connectivity and conference infrastructure, Valencia is an attractive destination for ICDCR-2027.

Testimonials from Past Speakers

Thank you very much for the opportunity to share my feedback. Participating in this conference was a truly valuable and meaningful experience. Having the opportunity to exchange knowledge and connect with physicians, researchers, and scientists from different parts of the world was incredibly enriching. As a Brazilian physician and researcher, I felt especially honored to represent Brazil and to have the opportunity to share part of my clinical experience and scientific work in an international setting. Being among professionals from different countries, discussing science, innovation, and clinical practice, made this experience even more special. The organization was excellent, and the entire team was extremely attentive, supportive, and professional throughout the event. I felt very welcomed from the beginning to the end. I am truly grateful to have been part of this edition and I sincerely hope to participate in future conferences and continue contributing to this international scientific exchange.

Bruna Caroline Bastida De Andrade Bruschi
Bruna Andrade Institute, Brazil

Thank you very much for the opportunity to share my feedback. Participating in this conference was a truly valuable and meaningful experience. Having the opportunity to exchange knowledge and connect with physicians, researchers, and scientists from different parts of the world was incredibly enriching. As a US physician-scientist, I felt especially honored to represent the USA and to have the opportunity to share part of my clinical experience and scientific work in an international setting. Being among professionals from different countries, discussing science, innovation, and clinical practice, made this experience even more special. The organization was excellent, and the entire team was extremely attentive, supportive, and professional throughout the event. I felt very welcome from the beginning to the end. I am truly grateful to have been part of this edition, and I sincerely hope to participate in future conferences and

continue contributing to this international scientific exchange.

Sergei A Grando
University of California Irvine, United States

Thank you very much for your kind email and for the opportunity to participate as a speaker at the International Congress on Dermatology and Cosmetic Research. I would also like to take this opportunity to express my sincere appreciation to the organizing team. I found the congress to be a very informative and enriching experience. The scientific programme was diverse and interesting, and I particularly appreciated the opportunity to learn from colleagues and researchers from different parts of the world. It was a privilege to contribute to the programme and to share my research with an international audience. Thank you once again for the invitation, the excellent organization of the congress, and for the opportunity to participate as a speaker. I truly valued the experience and look forward to future opportunities to participate in similar scientific meetings.

Molikuoa Harriet Makuru
University of the Free State, South Africa

I'd like to thank you for the excellent organization of the conference.

Vladimir Rovira
Clínica Vladimir Rovira, Spain

Well organised, easily accessible and hands on!

Rogier Heide
Acibadem IMC, Netherlands

Hello my name is Eneida Martinez Perez, While participating online in the International Congress on Dermatology & Cosmetic Research held

in Rome, Italy, on September 14 and 15, 2026, I had the opportunity to watch and enjoy the various scheduled presentations. These sessions covered current topics of great public interest regarding skin health and showcased studies and results presented by the various speakers. I was particularly impressed by Dr. Mana Sreedevi's presentation- "Comprehensive review of the roles of ultraviolet radiation in photoaging across different skin types"-as it addressed topics that will be useful for developing future formulas for my brand, Petonia. Thank you very much.

Eneida Martinez Perez

CEMP(Centro Europeo de Másteres y Posgrado), United States

The sessions were highly informative and covered a wide range of interesting topics in dermatology. I especially enjoyed the opportunity to connect with doctors and experts from different parts of the world, all coming together on one platform to share their knowledge and experiences. It was a well-organized and valuable conference, and I truly enjoyed being a part of it.

M Sai Bindu

Consultant Dermatologist & Aesthetic Physician, India

Thank you so much ...It was my pleasure and honor to have participated in ICDCR Conference, Rome. It was a very interesting and knowledge sharing conference. Looking forward to attend many more conferences in future. Thanks once again. Grateful.

B G Swapna Lekha

Saveetha Institute of Medical and Technical Sciences, India

I am glad I had the opportunity to attend the conference. It was great to meet professionals from different professional and cultural backgrounds and exchange ideas. I've learned a lot and received great inspiration for my own work as well. It was a great experience.

Geneva M Edwards

Unlawful Medicine LLC, USA

I had the pleasure of participating in Inovine Scientific Meetings as a virtual presenter, and I must say it was an exceptional experience. The organization was top-notch, and the platform provided an excellent opportunity for networking and sharing knowledge with fellow professionals. The event's focus on scientific excellence aligned perfectly with my own goals, and I appreciated the chance to contribute to the discussion. I highly recommend it for young researchers like me.

Adina-Iuliana Deacu

University of Surrey, UK

Attending the conference was a truly inspiring and enriching experience. The networking and collaborative opportunities were invaluable and the professionalism in every detail was commendable. I leave reenergized, enlightened and committed to advancing healthcare.

Gulsen Meral

Epigenetic Coaching, United Kingdom

Thank you for the opportunity to participate in the congress. I hope to continue working together next year. Please receive information in a timely manner.

Osman Bastug

Kayseri City Hospital, Turkey

Thank you very much. It was an honor for me. I would like to hold a congress on longevity - Epigenetics with you in London.

Tatyana Itova

University of Ruse, Bulgaria
